

## Art Made Man through art therapies and handicraft

GREAT  
DISSEMINATION  
EVENT IN BOLOGNA  
21 - 22 SEPTEMBER  
2012

All partners came very happy in Bologna for the 30th anniversary of the Art Therapy Italiana. ATI hosted our last meeting.

Partners bring pieces of their project results—products, produced in the sessions in their countries. They presented all pieces in the parallel exhibition.

The event had a great success!

## PREPEARING THE EXHIBITION

All the partners worked together to set up the beautiful and colored exhibition of the products made during the dance, art and handicraft therapy, in Via santo Stefano.

The atmosphere was really international, but at the same time familiar and friendly!

## OPENING OF THE EXHIBITION

Here all the great dance, art and handicraft therapy results!

During the exhibition all members of the project and visitors could see the good work done!

The direct beneficiaries explained to people what they have done and learned during this beautiful experience.

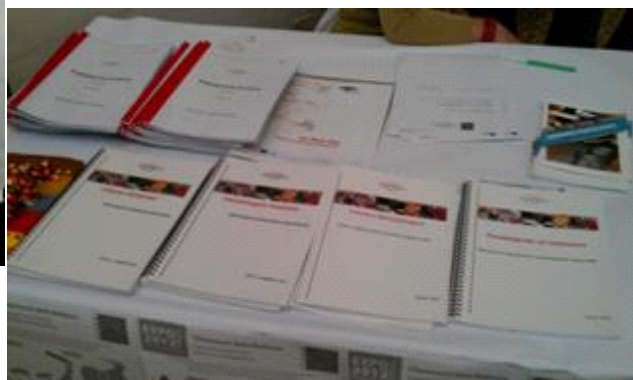

There was a numerous audience interested in project outcomes!

## PROJECTS HANDBOOKS WERE PRESENTED ON ALL PARTNERS LANGUAGES AS WELL !!!

The Methodological Report explaining Art Made Man methodology & experimentation and the Operative Handbook describing the project steps, were presented and handed in.

## AMM PROJECT PRESENTATION ON THE 30 ATI CONFERENCE

During the 30 ATI conference Patrizia Spada presented and described the whole project, its aims, its evolution through different phases and the final results achieved.
